Unique Lighting Solutions

The AVERE™ 4 Wash – Fixed Color has a sleek yet solid look and is proudly built in the U.S.A. from machined aircraft-grade aluminum. The fixture provides the ability to specify a fixed color, a massive amount of color output with 6 dedicated LED emitters and the IP65 and UL Wet Location rating. This versatility plus the superior build quality sets this striking fixture apart.

Our lighting experts and engineers will consult with you on ways to use our standard products or design custom solutions. Let our team help you create the design you envisioned. **Together we can make great things.**

Weight: 5.9 lbs.
